Read the following:-

1. From the Chief Engineer, North Coast, VisakhaptnamLr.No.CE/NC/VSP/DEE1/ AEE5/ NCFB/Vol.24/110 Govt Dated.04.10.2019
2. From the Chief Engineer, North Coast Letter No. CE/ NC/VSP/DEE1/ AEE5/NCFB Vol.25, Dated: 23.04.2020.

*****

ORDER:

In the reference 2nd read above the Chief Engineer, North Coast has stated that the maximum flood received in Vamsadhara River was 1,71,371 Cusecs during TITLI cyclone occurred in October 2018 in Srikakulam District. Generally at confluence point the river divides itself into different branches duly forming islands in between. Similarly the Vamsadhara River gets divided into two branches by flowing one on left side i.e., Polaki side and other on right side i.e., Kalingapatnam side. Recently the river received huge flood discharge, due to this heavy flood the river has abruptly changed its direction at the confluence point and completely flown on Kalingapatnam Village side which eroded the river bank. During the field verification, it was noticed, that the river has flown on right side and severely damaged the existing beach at Kalingapatnam Village including the beach road and the park developed by the Andhra Pradesh Tourism Department near to the beach and also some part of the village.

2. The Chief Engineer has also stated that the villagers of Kalingapatnam on right margin of river Vamsadhara and also the peoples representative of Srikakulam Constituency have represented to the District Collector Srikakulam and the Department stating that the flow of river is completely diverted towards their village ie. right margin side and major havoc has taken place to their properties and damaged the Government properties.

3. The Chief Engineer has further stated that a Joint inspection has been conducted along with the Revenue Authorities on 29.08.2019 near Polaki Revenue Village of Polaki Mandal.

4. He has also informed that the Technical Committee constituted by the Government has inspected the above locations both right and left flank of the Vamsadhara River near Polaki Revenue villages of Polaki Mandal and Kalingapatnam of Gara Mandal on 13.9.2019 and submitted a report in the matter.

(p.t.o)

5. The Chief Engineer has further stated that based on the report of Technical Committee the un-authorised encroachments in Polaki Revenue village limits of Polaki Mandal in Srikakulam district have been removed and furnished the proposal and requested the Government to accord necessary administrative approval for “River Protection works on Vamsadhara River near Kalingapatnam (v) of Gara mandal in Srikakulam District” for an amount of Rs.750.00 Lakhs.

6. Government after careful examination hereby accord Administrative sanction for “River Protection works on Vamsadhara River near Kalingapatnam (v) of Gara Mandal in Srikakulam District” for an amount of Rs.754.00 (Seven Hundred and Fifty Four Lakhs only) subject to the correctness of the quantities/rates proposed in the estimate and approved design/drawings shall obtained from the CE/CDO. . (The abstract is enclosed as Annexure)

7. The above expenditure is debitable to the Head of Account “4711-01-103(MH) 11(GH)-05(SH)-530-531.

8. The Chief Engineer, North Coast Visakhapatnam shall take necessary action accordingly.

9. This order issues with the concurrence of the Finance (FMU.WR.I) Department, vide their U.O.No. FIN01-FMU0MRAS(WR1)/38/2020-FMU-WR-I, Dated: 02/05/2020.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
